<i>In thousands of BDT</i>	For the period ended 31 March

The weighted average number of ordinary shares outstanding during the period is the number of ordinary shares outstanding at the beginning of the year, adjusted by the number of ordinary shares issued during the period multiplied by a time-weighting factor. The time-weighting factor is the number of days that the shares are outstanding as a proportion of the total number of days in the year. 23.1 Litigation

The Company has various claims and legal actions arising in the ordinary course of business. Management believes that there is a strong defence against such claims and legal actions and is not expected to have a material impact on Company's financial statements. Such claims and legal actions include the following:

In January 2019, a competitor filed a writ petition against Government and NBR by which it challenged the failure of Government to implement the closing budget speech of the Hon'ble Finance Minister dated 27th June 2018 and reserving low segment for local brands and further challenged the legality of a 2018 Special Order of NBR. BATB was initially not party to the writ petition. Subsequently it became a party through an addition of party application. Upon hearing on multiple occasions, the High Court (HC) passed the judgment in the matter on 21st September 2020. Through its judgment, the HC did not find any merit in the argument of the competitor in relation to reintroducing discriminatory rates and therefore discharged the Rule. However, the Court declared the retrospective application of the Special Order dated 7th June 2018 illegal and held that any shortfall of revenue under a 2017 Special Order may be recovered from any party or manufacturer during the period of 1st June 2017 to 6th June 2018.

Subsequently, following the High Court judgment LTU-VAT issued a Show Cause Notice dated 24th September 2020 claiming unpaid VAT & SD of BDT 24,371 million from 1st June 2017 to 6th June 2018. BATB appealed against the HC Judgment before the Appellate Division and obtained an order of stay. Since High Court judgment is stayed, the LTU proceedings shall also be deemed to have been stayed.

24 Significant deviations

Earnings per share (EPS) increased from same period last year driven by lower operating expenses fully offsetting the decline in net revenue. Net operating cash flow per share (NOCFPS) increased from same period last year due by lower trade receivables.
